TESTIMONIAL

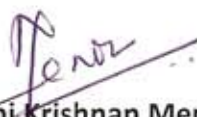

M/s Elysees Interior Designers & Decorators have been associated with us since the year 2004.

They have completed Interior Design and Decoration works of our office to a total value of 19.20 Lakhs.

Elysees is a very professional organization in the field of Interior Design and Interior Decoration. They are well experienced in all aspects of their project and they have professionally sound engineers and technicians to take up the task.

Designs are elegant, practical & appealing. There is a personal involvement in every stage of the projects.

I personally as well as on behalf of the family of Digimaker India would like you wish them all the success in the future endeavors to come. Please free to contact me for any further clarifications on **9880201181/9972367007**.
